Librarians – Teachers – Students

A wealth of First Nations books, games, videos, CD's/DVD's are gathered in one area for your reading, research, viewing or listening pleasure. They are in two categories:

Primary/Intermediate & General Interest

We warmly welcome parents, students, teachers and other community members to come in and check us out. There is no charge for borrowing materials, but it is required that a borrower replaces any items that are lost.

Materials are lent for a 2-week period, but can be extended if needed for longer e.g. research/classroom instruction.

We strongly suggested that you call first so we can make sure that there will be someone in the library to assist you (250) 475-4131 or (250) 475-4124

Hours: Monday - Friday 8:30 am - 4:30 pm

Thursdays & Fridays: Closed during lunch hour 12:30 pm - 1:30 pm

Please note that the building is closed during holidays and weekends.

The library is located at the rear of the Tolmie Building. Look for the "Aboriginal Nations Education" sign on the outside wall of the building.

We look forward to seeing you!
