

Dear Principal, Teacher and/or Coach,

Runners of Compassion is a non-profit organization comprised of runners who participate as a group to raise awareness of, and provide funding for, social and charitable causes.

Runners of Compassion sponsors a program designed to aid students in Greater Victoria School District who are eager to participate in a school sport, specifically cross-country running and track & field, but because of their financial situation may not be able to purchase good quality running shoes.

Runners of Compassion has teamed with Frontrunners Footwear Ltd to provide good quality running shoes, free of charge*, to local school-age students. To qualify, students should be participating in school athletics and unable to afford appropriate footwear.

Please follow these three easy steps to complete your request:

1. Identify students who need financial assistance for their athletic footwear.
2. Complete the attached form.
3. Send it along with the student to Frontrunners Footwear at 1200 Vancouver St.

*Max \$100 retail value

Date: _____

School: _____

Student Name: _____

Age: _____ Gender: M F

Coach/ contact person Email: _____

Principal, Teacher or Coach signature _____
