

My name is Brue Hanbidge. I am the new Bold Eagle coordinator. I am contacting all of our previous Influencers for the program to keep our program going strong for the aboriginal youth in Canada.

I understand some emails may have changed or key positions and titles may have changed over time. If you know anyone who could help get the message out to our aboriginal youth please feel free to forward this email.

We have just completed our 26th Year of the Bold Eagle program. This year we graduated 82 aboriginal youth from western Canada. A total of 1445 aboriginal youth in 26 years.

If you have any questions regarding the program or may want a presentation in your school or community please feel free to email me and we will try and accommodate your requests.
